

La storia di Hula Hoop. G.T.DESIGN allarga ancora gli orizzonti dell'arredo outdoor con Hula Hoop, una serie di tappeti per esterno e interno disegnati da Deanna Comellini ispirati ai giochi spensierati che animano le giornate all'aperto. Questa collezione di tappeti realizzati a mano in un filato tecnico ad alte prestazioni è progettata per resistere all'usura, alla luce del sole, ai danni degli agenti atmosferici e alla contaminazione batterica.

Originale e su misura. Disponibile in diversi modelli dalle forme circolari ed ovali, la collezione è animata dalla filosofia del movimento, e unisce dinamicità e avanguardia tecnica. La ricca palette può essere utilizzata per richieste di personalizzazione sui colori e sulle dimensioni fino a 4 m di larghezza. Totalmente riciclabili a fine vita.

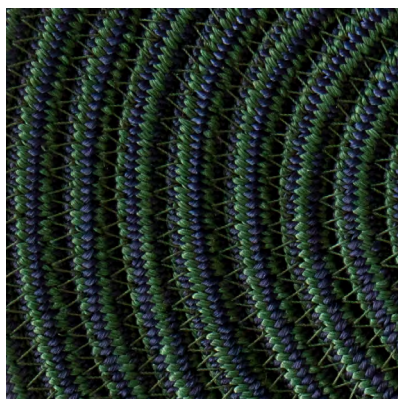

Dove utilizzarlo. Hula Hoop è un tappeto per esterno e interno, adatto anche alle zone benessere come spa e saune oltre che a terrazze a bordo piscina. Ideale complemento di arredo nello yachting e nell'hospitality, si abbina perfettamente anche con i mobili di design più contemporanei in zone living e bagni. Con la collezione Hula Hoop i tappeti da esterno si fanno sempre più resistenti e performanti.

The story of Hula Hoop. G.T.DESIGN expands the horizons of outdoor furniture with Hula Hoop, a project inspired by the carefree games that enliven outdoor days, a series of outdoor and indoor rugs designed by Deanna Comellini. This series of handmade rugs are made with a high-performance technical yarn designed to resist wear, sunlight, weather damage and bacterial contamination.

Original and bespoke. Available in a variety of patterns in circular and oval shapes, the collection is driven by the philosophy of movement, and combines dynamism and technical avant-garde. The rich color palette can be used for customization requests on colors and sizes up to 4 m (13'1" ft) wide. Fully recyclable at the end of their life.

Where to use it. Hula Hoop is an outdoor and indoor rug, also suitable for wellness areas such as spas and saunas as well as terraces and poolside. An ideal furnishing complement in yachting and hospitality, it also pairs perfectly with more contemporary design furniture for living areas and bathrooms. With the Hula Hoop collection, outdoor rugs are becoming more durable and high-performing.
