

La storia di In-Canto Acquerello. Morbido come la seta e lucente come la viscosa, questo tappeto in fibra di bambù con una trama seducente e un effetto degradè offre un'esperienza unica al tatto e alla vista. In-Canto Acquerello è stato realizzato grazie all'innovativo lavoro sulle fibre tessili sviluppato da G.T.DESIGN, azienda pioniere del tappeto di design.

Originale e su misura. Non c'è niente di standardizzato in In-Canto Acquerello, che può essere fornito con larghezza fino a 4 m in forme e colori anche su richiesta del cliente. La collezione In-Canto Acquerello è il pezzo centrale per tutti gli ambienti e i suoi colori sfumati in diverse tonalità lo rendono abbinabile ad ogni stile, dal classico al moderno.

Dove utilizzarlo. Grazie alla speciale tessitura manuale, i colori di In-Canto Acquerello variano alla luce offrendo un'esperienza visiva unica e sorprendente. Il touch soffice e sensuale di questa pavimentazione tessile è ideale per le zone notte e living, incluse le aree lounge più esclusive.

The story of In-Canto Acquerello. As soft as silk and as lustrous as viscose, this bamboo fiber rug with a seductive weave and a watercolor effect offers a unique experience of touch and sight. In-Canto Acquerello was created thanks to the innovative textile fiber work developed by G.T.DESIGN, the company that pioneered the design rug.

Original and bespoke. There is nothing standardized about In-Canto Acquerello, which can be supplied in widths up to 4 m (13'1" ft) in shapes and colors according to the customer's request. In-Canto Acquerello, whose shaded colors in different hues make it match any style from modern to classic, stands as the centerpiece in all environments.

Where to use it. Thanks to a special hand-weaving technique, In-Canto Acquerello's colors vary with the light, offering a unique and surprising visual experience. The soft and sensual touch of this rug is ideal for sleeping and living spaces, including the most exclusive lounge areas.
